

JOAN'S PANTRY - NEW SYSTEM

In order to comply with new CDC and Public Health Guidelines, the pantry will be instituting a new distribution system, effective immediately.

1. Please park in our lot.
2. Stay in your vehicle.
3. Open your truck or back door.
4. Volunteers will deliver to your car.
5. Please, no special requests.

Please know that we will make every effort to be as efficient as possible. We are trying to provide for increasing need during this difficult time.

Stay well, and hopefully we'll be back to normal soon.

Joan's Pantry is located at 532 Route 63 in Chesterfield. We are open every Saturday from 9 am to 1 pm. Please call Carole Vogeley at (603) 363-4631 with any questions.
